*This journal celebrates Kiwanis. Not just its ideals, but also the people who make Kiwanis special, its members as well as the people who support our efforts. We thank everyone who contributed to this journal and to all our appeals and events. You have given of your hard earned cash; you have given of your time; you have given of your spirit... You lent a hand or an ear...If you were there for a Kiwanian, you were there for Kiwanis.*

*While this 75<sup>th</sup> Anniversary Journal commemorates a joyous milestone for the Hicksville Club, we continue to live in a world which has become increasingly polarized; A world in which people are divided by race, ethnicity and socio-economic differences; a world in which violence sometimes triumphs over love and diplomacy; a world in which too many still struggle for food and shelter. While as individuals we may not be able to effect great change, together we can make miracles. That sense of community is what makes us whole. It is that very celebration of humanity, that makes us human.*

*It is in Kiwanis that we find our sense of community; our connection to that very special sense of selflessness... of caring for others as ourselves. Through our work in the community we can give to those less fortunate. Much our current efforts have focused on supporting the Hicksville food pantries. We continue to work toward the day where no child will go to sleep hungry. The current Kiwanis global initiative is to eliminate maternal and neonatal tetanus - an initiative we support and embrace.*

*As we look back over the seventy-five years of service, we applaud the fine work of years past and look forward to the challenges of our next seventy-five years. We know that with your support we will make this world a better place – one community, one child at a time.*

# The Kiwanis International Story

Kiwanis was founded in Detroit, Michigan, January 21, 1915 by professional organizer Allen Browne. The first Kiwanian was a merchant tailor named Joseph Prance. The original name was "The Benevolent Order of Brothers," and its purpose was the mutual exchange of preferred treatment in professional and business dealings. Within a year, the name had been changed to "Kiwanis," taken from a Native American term "Nun Keewanis" which loosely means "Self Expression." It had become obvious that the original purpose lacked appeal for many members. The purpose of the organization thus became "community service," a humanitarian concept from which Kiwanis has never deviated.

In the Fall of 1936 , a group of true visionaries decided that the community of Hicksville deserved a Kiwanis Club. That dream became a reality when the formal charter was issued by Kiwanis International on June 20, 1937. It is because of their foresight and hard work that today we are a thriving club. Each successive president, officers and directors have put their indelible stamp on this organization - helping it grow. In 1987 Kiwanis International recognized the valuable contribution that women make to our society, and while late in coming admitted women for membership. The Hicksville Club was on the forefront in this area and we applaud, what was for Kiwanis a very bold step. We salute the visionaries who created Kiwanis International and those who created the Hicksville Club - we are forever in your debt.

## **Nicholas J. Brigandi Spirit of Giving Award**

On August 24, 1940, God smiled and Nicholas J. Brigandi entered the world. Growing up on Bay Avenue in a loving family – with his parents, grocery store owners, Antoinette and Cono, his siblings – brothers, Anthony, Louis, and John; sisters Angie and Jane. His parents taught their children well – he learned to deal honestly with everyone and help neighbors in need. His schooling at St. Ignatius Loyola Catholic School reinforced this concern for others.

Growing up in the 40s and 50s, Nick enjoyed the simple pleasures of his hometown - stickball in the street and playing on the grounds of the “Old Courthouse” – now the Hicksville Gregory Museum. Nick would go on to serve on the museum board of directors...a place that held so many memories for him.

Family was very important to Nick and life centered on this love of family. He often tagged along with his older siblings, especially his sister Angie. His brother Anthony and his Uncle Augie inspired him to raise racing pigeons, which he did until 1971.

On September 27, 1959, Nick began his service in the Hicksville Fire Department - Department Sergeant of Arms (over 30 years); Honorary Chief of the Department; Honorary Captain of Engine Company #7; Company #7 Trustee of Ex-

empts (since 1986); Chaplain of Exempt Benevolent Association (current); Past President of Exempt Benevolent Association (1984-85); Member of the Nassau/Suffolk Exempt Association; Captain of HICKS Racing Team (8 years) - raced 20 years; 1999 Grand Marshall of the Labor Day Parade & Drill; Honorable Grand Marshall of the Labor Day Parade & Drill; Charter Member of Fire Police; Member of NYS Firemen’s Association; Member of Southern NY Firemen’s Association; Member of Nassau County Firemen’s Association.

In 1960 Nick launched his career in the Nassau County Department of Public Works. He started as a laborer, advanced to foreman and Highway Maintenance Supervisor, receiving many awards and certificates.

He married Veronica (Ronnie) in 1966 and they lived in his childhood home until 1971. Ronnie and Nick are blessed with two wonderful children – Theresa and Michael. The love of family served as a wonderful example – Theresa married Larry and they have two children, Larry (22) and Victoria (18). Michael married Corrinda and their two children are Jason (11) and Halle (8).

Nick began his position as elected Water Commissioner in 1980, currently serving as the District Treasurer. This other “love of his life” is evidenced by his dedicated service. He holds mem-

berships in American Water Works Association, Long Island Water Conference, Nassau-Suffolk Water Commissioners Association, and Nassau-Suffolk Water Commissioners Association.

Whenever he gets the chance, Nick loves fishing with his best friend, Tom. He also enjoys the morning “breakfast club” at the Hicksville Sweet Shop with Tom, Bill, and Doug. That is where he meets all his lifelong friends.

When Nick retired from Nassau County in 1980, he continued and increased his commitment to serving Hicksville through his community work - Hicksville Chamber of Commerce where he was recognized as the 2010 Citizen of the Year; as a board member of the Hicksville Community Council and recipient of the 2004 President’s Award; 4<sup>th</sup> degree Knight and Outside Guard in the Knights of Columbus Joseph Barry Council, a Director of the Kiwanis Club/Kiwanis Foundation of Hicksville, a Charter member of Sons of Italy Galileo Galilei Lodge; Eucharistic Minister and Adult Altar Server for Holy Family Parish; and a member of the Northwest and Gardens Civic Associations.

Nick truly believes that in giving we receive and feels blessed in many ways – wonderful friends, wonderful family and the opportunity to improve the lives of others.

While this array of service is impressive and noteworthy, The NICHOLAS J. BRIGANDI SPIRIT OF GIVING AWARD created in Nicky’s name, symbolizes the very special way in which he serves our community. No matter what the request, Nick never says, “No.” Rather he responds, “*Let me see what I can do.*” He checks his “magic” calendar and figures about how he can help all of us, never judging any request less important or less compelling than another - like a ministry where he respects everyone and celebrates the humanity in each of us. There is never a complaint or harsh word. Kiwanis is truly blessed to have our own “St. Nicholas.” Indeed, the spirit in which he works, or perhaps through which he works, is both extraordinary and heroic. It our good fortune to have Nick in our Kiwanis Club and naming the award for him, is our way of celebrating our dear friend. We also recognize that without the support of his wonderful wife, Ronnie and his entire family, Nick would not be able to do the fine works that he does. We thank you for sharing Nick with us and the entire Hicksville Community.

## 75 YEARS OF DEDICATED SERVICE

On occasions such as this, it is both appropriate and important to give thanks...

First, we thank everyone here this evening for joining in the celebration. Milestone celebrations are even more special when they are shared with the people we care about and who care about us.

We also must thank those who were able to take journal ads. Since this is our only fall fund raising event, your generosity will allow us to continue serving our local and global communities.

Family and friends, whether here or not, must be thanked for providing the often needed financial, physical/logistical and the all-important emotional support we need.

Of course, a thank you to all the members of the Hicksville Club, past and present, and all our friends throughout Kiwanis for believing that we can, and do, make a difference and that we can change the world, one child, one community at a time...

A special thank you must go to the Nick Brigandi for reminding us that there is a higher call to service. We must also applaud his wife Ronnie and the entire family for supporting Nick's extraordinary kindness and caring.

The last thank you must go to the wonderful members of the anniversary committee -

Dori Breitfeller  
Beth Dalton Costello  
Douglas Lake  
Kathleen Matykiewicz  
Phillip Tornatore, DDS  
Elaine Westerman

Without your hard work and dedication to this event, we would not be here tonight. We are truly blessed to count you among our friends.

AS YOU THINK ABOUT ALL THINGS **YOU** ARE THANKFUL FOR, PLEASE THINK ABOUT WHAT YOU CAN DO TO PAY IT FORWARD...IF KIWANIS IS THE ANSWER, WE WELCOME YOU WITH OPEN ARMS AND HEARTS.

Yours in Kiwanis,

## Water Conservation Tips

- ◆ Fix leaky faucets and plumbing joints will saves 20 gallons per day for every leak stopped
- ◆ Don't run the hose while washing your car and it will save 150 gallons
- ◆ Install water-saving shower heads and save 500 to 800 gallons per month
- ◆ Run only full loads in the washing machine and dishwasher and it will save 300 to 800 gallons per month
- ◆ Shorten your showers. Even a one or two minute reduction can save up to 700 gallons per month
- ◆ Use a broom instead of a hose to clean driveways and sidewalks and save 150 gallons or more each time
- ◆ Don't water the sidewalks, driveway or gutter. Adjust your sprinklers so that water lands on your lawn or garden where it belongs--and only there. Saves 500 gallons per month
